Jennifer I. Downey, MD, Editor of *Psychodynamic Psychiatry*, is Clinical Professor of Psychiatry at the Columbia University Vagelos College of Physicians & Surgeons in New York. She is also on the faculty of the Columbia University Center for Psychoanalytic Training and Research. She was a sex researcher before becoming a psychiatrist and psychoanalyst and with Richard C. Friedman wrote about sexual fantasy, sexual orientation, and sexual minorities. Her current interests include women’s health, sexuality in people with psychiatric disorders, individuals with gender dysphoria and nonbinary gender identities, and teaching psychodynamic psychotherapy skills in psychiatric training programs.
