Dr. Greenberg has a private practice in psychiatry and psychoanalysis and is Clinical Professor of Psychiatry at Albert Einstein College of Medicine at Yeshiva University, Bronx, NY. His areas of special interest include “applied” psychoanalysis, notably psychoanalytic study of cinema, media, arts in general and popular culture; medical humanities -- notably literature and cinema related to medicine; adolescent psychiatry and psychoanalysis; and compulsive gambling. He has written five books and several hundred publications in these areas, published in a number of journals including *Psychoanalytic Review*, *International Journal of Psychoanalysis*, *Film Quarterly*, *Cineaste*, *Tikkun*, *New York Sunday Times Arts and Leisure Section*, *Camera Obscura*, *New York Daily News*, *Clinical Psychiatry*, and *Psychiatric Times*. His books include *The Movies on My Mind* (1975), *Screen Memories* (1993), and *What You Should Know about Drugs and Drug Abuse*; *Hanging In: What You Should Know about Psychotherapy*; *Emotional Illness in the Family: Helping Your Family, Helping Yourself*. His most recent medical publication has been a chapter on *Compulsive Gambling* in the *Comprehensive Textbook of Psychiatry*, 9th Edition.

He has lectured widely on cinema, the media, pop culture, adolescent psychiatry and psychoanalysis, and compulsive gambling. Television appearances include *Good Morning America*, *Today*, *CBS Sunday*, *CBS Morning News*, *Showtime Cable TV Network*, the *Larry King Show*, *Donahue*, and *BBC*.

David Mintz, M.D., is a graduate of the Cambridge Hospital/Austen Riggs Center Combined Residency Program and completed a Fellowship in Psychodynamic Psychotherapy at Austen Riggs, where he is Director of Psychiatric Education. His primary interests involve psychosocial factors in psychopharmacology, particularly in relation to treatment-resistance and treatment outcome, psychodynamic aspects of medical education and developmental processes involved in becoming a psychiatrist. He is on the Education Committee of the American Academy of Psychoanalysis and Dynamic Psychiatry and the Medical Student Education Committee of the American Psychoanalytic Association.
