I am so proud of the young woman you have become... I always knew you would make the most of yourself and now look at you!

It seems like just yesterday you were starting kindergarten... getting on the big bus, lunch box in hand, with such confidence.

should commence at
birth and cease only
in death."*

SECTION TITLE

I am so proud of the young woman you have become... I always knew you would make the most of yourself and now look at you! I don't know how time went so fast, but I do know that I have enjoyed every precious minute... the ups and the downs, the successes and struggles.

I can't wait to see where your life takes you and hope that I can be there with you as you begin your next chapter.
